# ALC

is a dynamic parent company that brings together diverse brands under one vision: delivering quality, innovation, and trust across multiple industries. With a strong foundation in international trade and brand development, ALC ensures that each of its subsidiaries reflects the company's commitment to excellence and long-term customer satisfaction.

## Our Mission

At ALC, we believe in building brands that inspire confidence and elevate everyday life. By combining strategic expertise, premium product standards, and a customer-first approach, we create solutions that meet the needs of modern markets while maintaining uncompromising quality.

# ACCOUNTABILITY

We stand behind every faucet we supply, ensuring transparency, consistency, and performance.

# LOYALTY

We build lasting relationships based on trust, reliability, and mutual growth.

# COMMITMENT

We are driven by innovation and excellence, continually evolving to meet market demands and customer expectations.

# Numadora

is ALC's dedicated brand for sanitary and hygiene products, designed to bring elegance, reliability, and safety into homes and businesses. With a focus on minimalist luxury and practical functionality, Numadora offers a wide range of products that meet international standards and reflect refined design.

## Our Products

Numadora specializes in premium sanitary wares and hygiene solutions, including faucets, bathroom accessories, and related products. Each item is crafted with precision, ensuring durability, efficiency, and aesthetic appeal.

## Our Promise

Numadora is more than a product line—it is a lifestyle choice. We aim to provide customers with sanitary solutions that combine modern design, superior performance, and long-lasting value. Whether for residential or commercial use, Numadora products are trusted to deliver comfort and distinction.
